

The 9th Program of International Platform on Ocean Energy for Young Researcher 2022 (Online)

Institute of Ocean Energy, Saga University (IOES), Japan annually holds the program of international platform on ocean energy for young researchers. In 2022, due to COVID-19 travel restrictions, this event will be held online on **1st, 8th, 15th, 22nd, and 29th November 2022**. Now we call for presenters and participants for the event. Please join the worldwide networking event on ocean energy. We will invite all participants to our **facility tour** on **1st November 2022**. All events are **free of charge**.

Who can join the program?

Entry qualification as a **Presenter**: Researchers under 36 years old, including master/Doctoral course students, Postdoctoral fellow and Research associate, Lecturer, Assistant professor. The experienced young researchers, who had joined the former programs, are very welcome to join and present your research progress. The organizers will

invite selected young researchers. Entry qualification as **an Attendee (Audience)**: There are no limitation to participate as a participant. Registration form: <https://forms.office.com/r/wL3Z9S19g3>

What is the IOES research support?

(1) Private research funding:

The successful presenters, who will present in this program and submit a technical report by 7 December 2022, will be supported Max. 30 000 JPY as your private research fund.

***More information**, please refer to: <http://www.ioes.saga-u.ac.jp/en/seminar/ypd-report/ypd-2022>

(2) Funding for joint research with IOES:

Actively welcome the discussion towards the new joint research proposals for JFY2023 (April 2023 to March 2024)
